Course cost and availability is different in Galapagos & Maldives, contact us for details. Please contact us 30 days prior to your departure to confirm course availability for all destinations. Not all courses are available on all vessels or all weeks. Guests wishing to take a course while aboard will be required to complete an RSTC medical statement prior to arrival on the vessel and may be required to obtain medical clearance for diving from a physician. If possible, after contacting us to confirm course availability, we encourage you to **obtain the manual for your desired course from your local dive shop** and familiarize yourself with the material prior to your arrival.

Maldives pricing is subject to local GST.

Galapagos pricing is subject to local VAT and credit card processing fees.

Indonesia pricing is subject to credit card processing fees.

*The Solo Diver course has strict prerequisites, please contact us for more details.

**You must provide copies of the referral paperwork prior to arrival.
